LANGUAGES

FRENCH

Because it's my native language.

ENGLISH

Fluent. Who said French people doesn't know how to speak English ?

CHINESE

The harder the better.

HOBBIES

PHOTOGRAPHY

I like this medium where I can improve my designer's eye. Specially the beauty of the world's landscapes.

TRAVELLING

Discovering a new culture, to be able to see the world is a great source of inspiration for me.

COOKING

An other medium where I can express my creativity. But it's also a skill who needs a lot of strictness.

Now you're getting
to know me, let's see
what I can do for you !

EDUCATION & WORK EXPERIENCE

May to Oct. 2016

INTERN AS UI DESIGNER, ILLUSTRATOR

In charge of interfaces creation, for websites and media online, but also illustration and datavizualisation.

2015- Present

MASTER'S DEGREE IN MANAGEMENT

Specialized in the big functions of the management, the acquisition of managerial skills.
@IEMN-IAE, Nantes, France

An occasion to learn about the graphic design's skills, such as Packaging, Branding, 3D...
@L'École de Design Nantes Atlantique, Nantes

2011

BACCALAURÉAT IN SCIENCES

High School diploma equivalent to an A level.
@Lycée Jules Verne

SKILLS

PHOTOSHOP, ILLUSTRATOR, INDESIGN

The master tool for a perfect composition, such as print, wireframes, even branding.

LIGHTROOM, PREMIERE PRO, 3DS MAX

One software for one task. Phototgraphy editing, video edit and motion graphics, and last but not least, modelisation.

HTML & CSS

A language that I can understand, speak and write.

ILLUSTRATION

A skill, but also a pleasure. A way of giving life to my creativity.
